

Callowell PE Premium Funding Breakdown – Year 4 Action Plan – 2017-18

As part of the Olympic Legacy, schools in England have been allocated a significant amount of money to help raise the profile of PE in schools. The money can be spent in any way that enhances the teaching of PE and leads to a healthy and active lifestyle. Schools were given £8000 and an additional £5 per child for the Academic Year 2016-17 and £16000 with an additional £10 per child for the Academic Year 2017-18. Applying these pro-rata means that in the financial year 2017-18, Callowell was entitled to £13,800. One of the conditions of this money is that we must publish on our website how we have spent the money so far and what plans we have to spend the rest.

Priorities for the spending

- To increase participation at clubs
- To offer CPD across a range of staff roles
- To use expert coaching and staff CPD to raise standards and participation
- To offer greater competitive opportunities
- To establish club pathways
- To enrich G&T pupils
- To keep the profile of P.E. high in the school
