Dear Parents/Carers,

RE: School Policy on Mobile Phones

Please be aware that we will no longer be allowing children to bring mobile phones, smartphones or other such devices into school from September 2019.

This decision has been made in light of safety concerns e.g. the increased vulnerability for children carrying electronic devices and the challenges involved in ensuring appropriate usage and secure storage.

Thank you for your continued support and understanding,

Yours sincerely,

Mrs Kam.Gill (Head of School)
