

What are we learning about this term?

Our topic this half term is "Run run as fast as you can!" (traditional tales). This will be followed by "The Toys Tea Party" (toys) after half term. We have some very exciting events to look forward to this term, including a visit from the Life Bus, a workshop led by the Chertsey Toy Museum, and, our annual Toy's Tea Party, to which parents and carers will also be invited (details to follow). Teaching and learning in all seven areas of the curriculum will be linked to these themes and events. Through our topics we will also be using every opportunity to develop spiritual, moral, social, and cultural values, through encouraging children to: explore beliefs and experiences; show respect for faiths, feelings and values; learn about themselves, others and the surrounding world; use imagination and creativity; reflect.

Please refer to the medium-term planning below and the autumn term curriculum letter (to follow shortly) for more details! Please also look at the list of dates below for other events happening this term and refer to the Jolly Phonic information to see how you can continue to support your child at home with their literacy skills.

Please remember that parents and carers are warmly welcomed and encouraged to come into the classroom and support their child/ren with their learning for the first 15mins of the day, (or as long as possible), between 8.35a.m and 8.50a.m every morning.

Thank you.
