

Lambton Primary School

Attainment 2018

Well done to all of our children this year in the 2018 assessment period in the summer term.

52 children in Year 6 took part in the KS2 SATs in May. Their attitude was exemplary towards these assessments and they all approached them with a 'can do' attitude. The work involved in the assessments in reading, maths, and spelling punctuation and grammar is phenomenal. The school was once again moderated by the Local Authority for Year 6 writing. The feedback was very positive.

Children are also assessed at the end of Reception, in Year 1 (phonics screening check), Year 2 SATs and teacher assessments and then Year 6 SATs. I have detailed below the achievements of our pupils. I know that each and every one of the pupils across the school did their absolute best and we are proud of every child.
