This week's rhyme -

Lyrics - Oats and beans and barley grow

Oats and beans and barley grow,

Oats and beans and barley grow,

Not you, nor I, nor anyone know,

How oats and beans and barley grow.

First the farmer sows the seed,

Then he stands and takes his ease,

Stamps his feet and claps his hand,

And turns around to view the land.

Oats and beans and barley grow,

Oats and beans and barley grow,

Not you, nor I, nor anyone know,

How oats and beans and barley grow.

First the farmer sows the seed,

Then he stands and takes his ease,

Stamps his feet and claps his hand,

And turns around to view the land.

Thank you in advance for your support.
