Headteacher: Miss Sarah Dukelow

Someone sent me this post the other day and I thought it was worth sharing with you all:

“Just chatting with a friend of mine, she isn't on her school PTA but was telling me about the events that her school PTA run and what they have funded for the kids and it was super impressive! But she said, 'I don't get involved in the PTA I've seen how stressful it is and how much they mither parents for this and that, I'm too busy to get involved' (yep, that old chestnut!) I asked her to do me a favour, when you're on the school run later, take a step back look at the equipment and facilities those volunteers have worked hard for to give to your kids and recognise how excited the kids are to go to the summer fair, movie night, school disco etc... then go up to one of the PTA and just say 'Thanks'. Because those volunteers have most likely missed story time/bed time/tea time with their kids on many occasions to make sure everything runs smoothly for everyone else's kids. Up until all hours of the night or the crack of dawn, packing up goody bags, filling envelopes, creating things for the fair, going out to cash and carry, the list is endless! But just something as simple as an impromptu 'Thank you' makes all the difference.
