

PE and Sports Premium Spend 2019/20

Notes:

Department for Education Vision for the Primary PE and Sport Premium:

'ALL pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.'

The funding has been provided to ensure impact against the following OBJECTIVE:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (above) that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that schools will see an improvement against the following 5 key indicators: 1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles 2. The profile of PE and sport being raised across the school as a tool for whole school improvement 3. Increased confidence, knowledge and skills of all staff in teaching PE and sport 4. Broader experience of a range of sports and activities offered to all pupils 5. Increased participation in competitive sport.

It is a statutory requirement from DfE to ensure that information on the use of the Primary PE and Sport Premium is available on your school website.

Completing the Template:

The below template is pre-filled with opportunities and provision provided by The Harris CofE Academy School Sports Partnership. However, this has been left as an editable document, so that you can alter pertinent details specific to your school. You can upload the below or merge contents with an existing document on your website, evidencing the impact.

Column 1: Which of the 5 key indicators for the Primary PE and Sport Premium that the activity relates to (e.g. increased confidence, knowledge and skills of all staff in teaching PE and sport).

Column 2: Actions achieved; what was actually delivered/the activity completed.

Column 3: School focus and impact; Confirms your priorities in terms of impact on pupils, to detail your school focus (e.g. improved the quality of children's physical literacy at key stage 1). This will be pre-populated to give a generic answer, but you may wish to edit this against your own school priorities within you School Development Plan.

Column 4: Evidence showing that the outcome was completed.

Column 5: Detail how this activity was sustainable, and look at future sustainability (embedding the impact). You may wish to edit the detail here to fit in with your school priorities and School Development Plan.

Please note that you will need to delete as applicable in the table below, to reflect exactly what you have utilised in the package. There are notes within the table in **red text** where you will need to add specific detail or delete as applicable.
