

## Monthly Parent Support Group

For parents and carers of children with Autism,  
ADHD, Social & Communication difficulties  
& Behavioural/Sensory difficulties

- Do you have a child with additional needs or a disability?
- Would you like to access support in a group, while meeting other parents in similar circumstances to you?

This group is a parent only drop in and no referral is required, simply join us for a coffee, snack and a chat. The group is relaxed, informal and you will be made to feel welcome.

There is a quiet area available if you wish to chat privately.

There will be trained volunteers available to provide play activities for the children under five years old and the group is free of charge.

The group will be held monthly, on Tuesdays on the following dates:~
