**Headteacher V Morris MA**

**Mrs M Coker**

My name is Mrs Coker and I have been working at EPPS for 8 years. In September I will be in class teaching Year 2 twice a week, covering classes and also giving additional support to our SEN pupils. My HLTA role is to support children mainly in KS1. I support children with Speech and Language difficulties and also children who have English as an additional language.

I am the lead in the restorative training and organisation of our Peer Mentors to ensure they are confident and proactive in their roles. They are a real credit to our school and I am so proud of them all. I am a very positive person who is keen to inspire every child to develop their understanding and skills to their fullest potential. I really enjoy watching our children grow in confidence and love being part of such a wonderful team.

In my spare time, I love spending time with my family and friends.
