CLERGY REFERENCE FORM

Applications for foundation places

When allocating foundation places the governors of The Haven CE/Methodist School, Atlantic Drive, Eastbourne, give priority to admitting children of parents who regularly worship at Sunday services in The Haven CE/Methodist School and other Christian churches that are members of Churches Together in England or the Evangelical Alliance in Eastbourne. "Regularly" is defined as attending a Sunday Service at least twice a month for a period of eighteen months prior to application.

Parents are asked to make an appointment to discuss the completion of this form with their priest or minister.

This completed form must be returned to The Haven School Office no later than January 15.

If the clergy reference is not received by this date, the application may not be considered under the foundation place criteria.

We also request that you fill in and submit a supplementary information form which is available from the school.
