

Reception

Autumn Terms 1 and 2

Teddy & I

Time Travellers

During this topic, children will...

<p style="color: red; text-align: center;">Personal, social and emotional development</p>		<p>Learn about how to respect and play cooperatively with others through everyday learning. Children will also learn about perseverance, resilience, curiosity and problem solving.</p>
	<p>Learn to extend their vocabulary in a range of ways. They will learn to retell stories such as 'We're Going on a Bear Hunt' by memory and start to use lovely story language in their everyday spoken language. Children will also learn how to answer 'How' & 'Why' questions in relation to stories and events.</p>	<p style="color: blue; text-align: center;">Communication & Language</p>
<p style="color: blue; text-align: center;">Physical Development</p>		<p>Explore how to strengthen our gross motor and fine motor skills. In PE, we are focussing on spatial awareness and play ground games! The children will also be taking part in lots of fun fine motor and handwriting activities such as using chalk and paint to write our letters!</p>
<p style="color: green; text-align: center;">Literacy</p>	<p>We will be learning about lots of different stories throughout the Autumn Term. We will learn to retell the stories by memory, using actions to help the children remember. We will also be using 'Jolly Phonics' to help us learn our sounds. We are starting to blend and segment simple words to help us with our early reading and writing skills.</p>	
	<p style="color: orange; text-align: center;">Maths</p>	<p>Learn how to count one object at a time and recognise and order numbers to 20. Children will also learn about different types of patterns and shapes and they will learn how to describe them using the correct mathematical language.</p>
<p style="color: blue; text-align: center;">Understanding the world</p>	<p>Explore different habitats around the world and consider where different animals live and why. We will also learn about different traditions and cultures from around the world. We have class iPads and the children will also explore how to select an age appropriate game and complete it.</p>	

Explore colour mixing through a variety of medias. Children will also learn about how to collage materials to create beautiful pictures. The children will also have to opportunity to perform on our 'stage' area where we have an assortment of dressing up outfits to spark their imagination! In music, we are working on our phonological awareness and aural listening skills and we will be focusing on 'loud' and 'soft' this term.

Expressive Arts & Design.
