

Broadfield Community Primary School **Behaviour Management System**

Children will be able to add their name to the **Gold Star** when the adult believes they are displaying role model behaviour. They are actively participating in learning and are supporting others to do the same. If a child achieves their name on the star and it remains there for the whole day they may be awarded 3 dojos.

Every child begins each day with their name on the **Green Circle**. In EY the children begin each session with their name on the **Green Circle** and in KS1 the children begin the morning and then the afternoon with their name on the **Green Circle**. In KS2 the children start each day on the **Green Circle**. Children can have one verbal reminder and remain on the **Green Circle**.

If a child receives a second verbal reminder they should move their name to the **Amber Circle**. Children can move back to the **Green Circle** if they are willing to apologise for their behaviour and show improvement. Children who move from the **Green Circle** to the **Amber Circle** more than twice in a day can go straight to the **Red Circle** from the **Green Circle**. See Broadfield Sanctions for further information on Amber alerts

If a child needs a third verbal reminder they move their name to the **Red Circle**. Children can also move directly to the **Red Circle** for a non-negotiable behaviour. When a child is on Red they need to be reported to the Unit Leader and the incident/s should be recorded on CPOMs by the class teacher or adult dealing with the behaviour at the time. When a child is on **Red** a text message will be sent home to parents on the same day requesting that they meet the class teacher.

If a child is on the **Red Circle** and continues to display negative behaviour they should be escorted by a member of staff to a senior leader in school. The child will be given a **Blue Alert** which leads to an internal exclusion. Their behaviour should be recorded on CPOMs and a text message to parents will be sent requesting that they make an appointment to see the Unit Leader. A **Blue Alert** triggers the child being placed on a **Respect Report**.
