Display and Usage of Children's Photographs

Child's Name: _____ **(Block capitals please) Class:** _____

In school, photographs are used to record work or activities in which the children are involved. This is done to monitor and evaluate progress as part of the curriculum. These photographs are displayed in school.

Sometimes we give copies of group photographs to children to take home. Do you permit photographs being issued to others when your child is also in the scene?

*** I do/do not give permission for photographs in which my child is included to be sent home with another child.**

Signed: _____ **(Parent/Guardian) Date:** _____

Request from local papers and educational publications for pictures of children involved in various events are part of the day to day experience for most school children.

Do you permit photographs of your child to appear in newspapers or educational publications?

*** I do/do not give permission for my child to be photographed for publication in local papers/educational publications.**

Signed: _____ **(Parent/Guardian) Date:** _____

The school website, the 'School Jotter' app and social media sites are valuable resources for accessing information about Kilmaine. Children's photographs will also be displayed.

Do you permit photographs of your child to be displayed on the internet in these methods?

*** I do/do not give permission for photographs of my child to be displayed on the school website, School Jotter app and social media sites.**

Signed: _____ **(Parent/Guardian) Date:** _____

* Please delete, complete and return this to school by Friday 6 September 2019.

Yours sincerely

R Sinnamon
Acting Principal
