

Global WOW Day @ St Teresa's

At St Teresa's, we deliver 3 WOW Days, one per term, which are designed to inspire and enthuse our children to learn and develop their understanding of different cultures.

This half term, we will be delivering a Global WOW Day for all classes. During the day the children will take part in a range of inspirational activities relating to a country which is culturally diverse to our own. These days help our children to develop the values and skills of empathy, curiosity, understanding and tolerance.
