

Words ending in -ture

Name:

Date: 29th November 2019

You have 6 spellings to practise and 4 of your own to find and practise.

Look, Say, Cover, Write, Check

Word	1 st Try	✓	2 nd Try	✓	3 rd Try	✓	4 th Try	✓	5 th Try	✓
adventure										
capture										
creature										
future										
nature										
temperature										

You will find the spelling rule at the top of this sheet with six examples of the spellings in the grid above. Your job is to find four of your own spelling words for the spelling rule at the top of the page and place them in the grid. Over the week you need to practice all the spelling words in the grid using the look, say, cover, write, check method five times. You will be tested on the spelling rule(s) in context within a paragraph. Some of the words you complete in the paragraph might not be the ones that you have found, but they will have the same prefix or suffix spelling rule that you have been learning. There will be 6 words altogether as part of your test. On our class page on the school website you will find the spelling video to help you.
Happy spelling! ☺
