

## Topic - History

WALT: develop our understanding of Native American culture

Next week we will begin our Topic – The Wonders of North America. We will be exploring the Native Americans and their culture and origins. Can you find some interesting facts about the Native Americans and their history?

WALT: revise high frequency words

This week, as part of our Literacy, (Reading for Meaning), we have been writing predictions about stories. We have had some brilliant ideas in our oral work. In our writing there were a number spelling errors of high frequency words that we **should** be able to spell. Use the **LOOK, SAY, COVER, WRITE CHECK** to practise spelling these words. If you are already very confident, please practise an even cursive script.
