

# Driffield Junior School

Please find attached details of the before and after school clubs that will be running this term. If your child is interested in attending any of the clubs listed please complete and return the slip to the school office by Tuesday 10<sup>th</sup> September. Places for clubs may be limited and will be allocated on a first come first served basis. The school clubs start afresh each academic year so if your child previously attended a club then they **do** need to reapply if they wish to continue.

The school clubs will start during the week beginning Monday 16<sup>th</sup> September unless otherwise stated. For the sports clubs children will need PE kit and trainers for each session (boots and shin pads for football clubs).

A text will be sent on Friday 13<sup>th</sup> September to inform you if your child has been allocated a place. If a club is cancelled a text will be sent to inform you so please ensure your contact details are correct.

For the clubs that take place after school, please indicate on the form if your child will be picked up or is allowed to walk home. If you are picking up your child from a club please wait outside the main entrance; the children will be brought to you.

Please see below for important safety information regarding attendance at school clubs.

For more information or to book your child into the privately ran clubs please contact them directly on the following numbers:

Go-Sports Judo Club – 07967 426038

Create Art Club – 07745 346391

Goalsports Football Club - 07878 602168

## **After school clubs – important safety information**

To ensure the safety of your child and to allow the teachers in charge of clubs to be able to start their activities promptly, we must ask that the following procedures are followed:

- If your child is not fully committed to attending the club every week, then please contact the school office. We will not accept this information directly from your child so please either call in, ring, write or send an email.
- If your child cannot attend the club on a particular evening, again you should either call in, ring, write or send an email.
- If you are expecting your child to be home by a particular time, he/she does not arrive and you suspect he/she has gone to a club, then please ring school to check that he/she is there rather than wait till the club has finished to see if he/she returns home then.
- On NO occasions will we accept a child telling us he/she won't be at a club. The message must come from you.

The safety and well-being of our pupils is of paramount importance to us, so PLEASE talk to your child about this information and about showing commitment and loyalty to the clubs he/she has shown an initial interest in, and help us by sticking to the above procedures.
