

Year 2 Homework Challenges

Autumn 1

Please choose one task from the Topic or from the Maths grid to complete each week and hand into your teacher on Monday morning. You can choose to do a different one each week. Try to complete a range of activities from each grid over the half-term. Please tick off the activities you have completed. We can not wait to see what you decide to do!

The Great Fire of London	Living in Habitats
<p>Make a Stewart house (using paper / cardboard) which we will burn to replicate the</p> <div style="display: flex; align-items: center; justify-content: space-around;"> <div style="text-align: center;">  <p>fire!</p> </div> <div style="text-align: center;">  </div> <div style="text-align: center;"> <p>10 housepoints</p> </div> </div>	<p>Make a picture, collage or model of a habitat.</p> <p>5 housepoints</p>
<p>Write a short description of the Great Fire of London.</p> <p>5 housepoints</p>	<p>Make a poster of plants and animals you find in a particular habitat.</p> <p>5 housepoints</p>
<p>Make a shop sign for the bakery shop on Pudding Lane.</p> <p>5 housepoints</p>	<p>Sort different object onto groups:</p> <ul style="list-style-type: none"> a) Never been alive eg rock b) Used to be alive eg log c) Living now eg penguin <p style="text-align: right;">5 housepoints</p>
<p>Write and present a recount of the Great Fire of London.</p> <p>5 housepoints</p>	<p>Make a list of as many different habitats as you can</p>

<p>Learn your 2 times tables. How fast can you say them? 10 housepoints</p>	<p>Choose a number between 10 and 100. Use the part whole model to show how many tens and ones there are in each number. Choose 10 different numbers.</p>  <p>5 housepoints</p>	<p>Write the numbers in words:</p> <p>1) 19 6) 78 2) 29 7) 65 3) 43 8) 37 4) 50 9) 81 5) 92 10) 46</p> <p>5 housepoints</p>	<p>Get your adult to pick a number between 1 and 20. Double it. Add 10 to the number. What is one more and one less than the number? Choose 5 numbers</p> <p>5 housepoints</p>
<p>After you have been shopping, choose 6 different items each costing less than £1. Make a price label for each one e.g. 39p, 78p. Shuffle the labels. Place the labels in order, starting with the lowest. Say which price is an odd number and which is an even number. 5 housepoints</p>	 <p>5 housepoints</p>	<p>Learn your 5 times tables How fast can you say them?</p> <p>10 housepoints</p>	<p>Complete as many additions and subtractions as you can to match the number in the circle.</p>  <p>Make up at least 10 sentences. 5 housepoints</p>
<p>Make a poster showing number bonds to 10 or 20 or 100. You can make this as creative as you like. 5 housepoints</p>	<p>Learn your 20 times tables. How fast can you say them?</p> <p>10 housepoints</p>	<p>Write the following numbers using place value counters:</p>  <p>24 = 37 = 82 =</p> <p>51 = 16 = 43 = 75 =</p> <p>5 housepoints</p>	<p>Play Snakes and Ladders.</p> <p>Make sure you read which number you land on. Is it odd or even? Complete number sentences. For example if you are on 18 and roll a 6 say $18+6 = 24$. 5 housepoints</p>
