

Term 1, Week 1 - 4th to 6th September Welcome, welcome and welcome - to returning pupils, to new pupils and to all parents who now deserve a break after the last 6 weeks!! We hope you had a fabulous summer and, as always, we have a packed programme of events planned for this academic year. These weekly updates and the website are your way of keeping up-to-date with what's going on, so please make time to read them each week (especially before you pick up the phone to ask!!)

Can we please start off by reminding you all of a few essential things that we need your help with:

1) We will shortly be sending home a Student Update Form for your child which shows all the information we hold for your child on our database. It is really important that you take the time to review this and send it back to us so that we can be sure we have the correct information on record for your child. If any email or phone numbers have changed please ensure that these are also changed on your Parentmail account as well.

2) If your child has a medical condition which requires them to hold an Individual Health Care Plan then we will be reviewing these this term. We will be inviting parents in for a short meeting to do this, so please ensure you can make time to get it done. Also, if your child has an asthma inhaler or epipen in school, please check with the class teacher that the one we hold is in date and clearly labelled with your child's name as that is your responsibility, not ours.

3) **PLEASE** check your Parentmail account regularly. **We do not send out paper letters, ALL information is send via Parentmail.** If children require permission as well as payment to attend events and trips you will be asked for it in good time via Parentmail. As we now have nearly 300 children on roll we are simply not able to call parents individually at the last minute who have not read their emails or forgotten to respond - the children will not be able to take part in the event or trip if we have not received permission for them to do so.

Next week's key events are:

1. "Welcome to" meetings For parents whose children have moved into Years 1, 2 3 or 4 this year there are a series of meetings taking place which will help you understand the expectations for your child this year. Please have a look at your Parentmail account to see if you signed up at the end of last term (because if you did we'll be expecting you!!), or to sign up now.

2. Clubs Our ever-popular clubs are re-starting next week, we'll be confirming places on Friday and Monday - if your child wants to join after that please email: admin@marketdeeping.lincs.sch.uk

3. Reading Detectives This really successful venture which we launched last year with Baston and Deeping St James Schools is set to continue and develop - we will be inviting children to join in the next few days, and this year's scheme will launch next Friday.
