

## Dear parents / carers

### Reading routines.

Your child will be given two school reading books every Tuesday. Completed reading books are to be handed in on the following Tuesday. Reading books will only be changed if they are signed. If your child completes their reading books before they are due in, then they can be handed in early and exchanged for a book in the class library if your child wants another book. Please remember that reading books should be in school every day.

### Times tables, handwriting, spelling and extra homework.

Your child will receive a times tables, handwriting and spelling sheet each Friday which **MUST** be completed. All sheets must be completed and returned to school by the Friday of the next week. Any children who don't hand their homework in on the Friday will go into Lost Learning to complete it.

There will also be an extra piece of homework each week: maths, grammar or reading. This extra piece will come with answers for you or your child to mark so your child can instantly see how they have done. The extra piece doesn't have to be completed but children who do complete the extra homework will be rewarded with 5 Dojos.

### Project homework

Project homework is to be completed over the term and handed in as one whole project on the given date. Please see the project homework sheet for the date that it must be handed in.

### Many thanks

Y4
