

September 2019

Dear Parents/Carers of 1A, 1B, 2A and 2B

As part of our school PE programme and in partnership with the National Ice Stadium, we will be taking the children in Y1/Y2 ice skating every Wednesday afternoon for six weeks.

Classes 1A, 1B, 2A and 2B
Starting on Wednesday 11th September

As it forms part of the curriculum there will be no charge and all children will attend.

We have found that the ice skating sessions boost the children's confidence, motor skills and independence and many of our children have previously been talent identified by the Ice Stadium and have gone on to receive scholarships. All children will need thick socks and a coat.

Please complete the slip below and return to the main reception by Monday 9th September.

If you would like any further information please feel free to talk to your child's class teacher.

Yours sincerely

Rebecca Edge
Headteacher
