HEADline

Welcome back to the new school year!

As you may have noticed we have had a really busy summer holiday with regards to the school site, fortunately all paid for through government bids and grants to cover the cost!

We have finally had all our pupil toilets completely refurbished and replaced; they look great and smell fresh. Staff and children are delighted with the new loos!

We have also had all water pipes replaced across the whole the school. This should help reduce energy costs as they are well lagged and flow easily.

Roofing works are ongoing. This includes repairing and refurbishing some of the older parts of the school roof, reducing leaks and again, hopefully helping with our carbon footprint with better insulation.

In other news, we have had a great start to term. New staff and children have settled in well and the whole school have been getting on with some great work!

This year we are planning a few changes to hopefully improve home / school communication. Following feedback from parents, staff and governors we are going to pilot some changes to the newsletter, to hopefully make them more interesting, relevant and informative for you. We will cut down the number of newsletters each term (to one near to the first week of term and the other toward the end of term, with the children's Brompton Bugle somewhere in the middle of term) and try to give you more information in advance to help with your calendar planning.

KEY DATES

Autumn Term 2019

Tuesday 3rd September – Friday 25th October

Christmas Term 2019

Tuesday 5th November – Friday 20th December

Winter Term 2020

Tuesday 7th January – Friday 14th February
