

Starlings Class Newsletter _ September 2019

What have we learned this week?

Wow what an amazing first week at school! The children have been so busy making new friends and exploring the areas both inside and outside. It has been a very musical week, with lots of singing, nursery rhymes, dough disco and the children even had their first music lesson with Mrs Watkinson. They loved exploring instruments and the sounds that they make. Our favourite rhyme this week: Five little speckled frogs
