

Robins Class Newsletter ___ *September 2019*

What have we learned this week?

Wow! What an amazing week we have had in Robins class! We have made friends, explored the areas of the classroom together and started our daily routines, such as putting our coats and bags on our pegs, self-registration and learning the days of the week! The children have been brilliant when having their lunch, using their knife and fork and sitting so beautifully. We had a lovely music session with Mrs Watkinson on Wednesday and were all so polite. I am just bursting with pride!!

Some photos from the week

Home Learning Challenge

Tell your family all about what you have enjoyed at school this week!

School Dates

Reminders

If you have any queries, please contact school on admin@keeblegatewayacademy.org or 01845 448227

Please ensure your child has spare clothes and wellies in school.

Please return any **school meals options forms** as soon as possible so that we can make sure that children are enjoying their meal.
