

Dubmire Primary Academy

KS1 - KS2

Curriculum

2018/2019

What are the main principles of Dubmire's curriculum?

- The Learning Challenge concept is built around the principle of greater **learner involvement** in their work. It requires deep thinking and encourages learners to work using a question as the starting point.
- In designing the curriculum, teachers and learners are using a **prime learning challenge**, expressed as a question, as the starting point. A series of **subsidiary challenges** are then planned. Each subsidiary learning challenge is also expressed as a question. Importantly the learning challenges need to make sense to the learners and it is something that is within their immediate understanding.
- **Hook events/tasks** ensure that learners are excited and engaged into new learning. These events ranges from visits/visitors to classroom activities.
- Continuity and progression in the curriculum will be built around a set of matrices known as essential knowledge, understanding and key skills within subject disciplines. These are broken into year group expectations and have additional challenges for able learners. The '**Essential Knowledge, Skills and Understanding**' matrices within the Learning Challenge Curriculum will allow school to guarantee that the learners' essential skills are being developed, alongside National Curriculum requirements (where appropriate), whilst allowing Dubmire to have autonomy with our methodology.
- In addition, there is an expectation that teachers **apply English, mathematics and ICT** skills where it is appropriate to do so. The main idea is to use the knowledge, skills and understanding matrices for each subject to bring to teachers' attention the level of work expected around each learning challenge. In addition there should be careful consideration given to the quality of work produced by learners in the core subject areas.
- Time for learners to reflect or review their learning is central to the whole process. This is in keeping with the 'Learning to Learn' principles where **reflection** is seen as a very important part of individuals' learning programme. Within the Learning Challenge Curriculum the final subsidiary learning challenge is handed over for learners to reflect on their learning. The idea is that learners present their learning back to the rest of the class, other year groups or parents, making the most of their oracy and ICT skills to do so. Initially learners may require a great deal of direction so the reflection time may need to be presented in the form of a question which helps them to review their work.

Allotted Time	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Learning Challenges History/Geography	Super Me! Super You!	Super Me! Super You! Super Them!	Where do the wild things live?		Would you have a Hog Roast for tea?	
Key areas	Geography	History	Geography	Geography	Geography	History
Focus	<ul style="list-style-type: none"> Use basic geographical vocabulary Recognise human and physical features; devise a simple plan; Fieldwork and observational skills 	<ul style="list-style-type: none"> Changes within living memory: When parents were young Significant people from history Local history 	<ul style="list-style-type: none"> Features of a cold place People who live in a cold countries Seasonal change Weather 	<ul style="list-style-type: none"> Features of a hot places People who live in a hot countries How the seasons and weather affect people 	<ul style="list-style-type: none"> Use basic geographical vocabulary Identify the four countries making up the United Kingdom Name some main towns and cities in the United Kingdom Answer questions using books, atlases and internet 	<ul style="list-style-type: none"> Changes within living memory: When parents were young Significant people from history Local history
NC	<p>KS1 Geography: use simple fieldwork and observational skills to study the geography of their school and its grounds</p>	<p>KS1 History: Changes within living memory - revealing aspects of change in national life</p> <p>KS1 History: Pupils should begin to develop an awareness of the past and the ways in which it is similar to and different from the present</p> <p>KS1 History: the lives of significant individuals in Britain's past who have contributed to our nation's achievements</p>	<p>KS1 Geography: identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles</p>	<p>KS1 Geography: use world maps, atlases and globes to identify the United Kingdom and its countries</p>	<p>KS1 Geography: use world maps, atlases and globes to identify the United Kingdom and its countries</p>	<p>KS1 History: Pupils should begin to develop an awareness of the past and the ways in which it is similar to and different from the present</p> <p>KS1 History: the lives of significant individuals in Britain's past who have contributed to our nation's achievements</p>
Art	<p>Knowledge</p> <ul style="list-style-type: none"> Famous Artists - self portraits Describe what they can see and like. Ask sensible questions about a piece of art <p>Drawing</p> <ul style="list-style-type: none"> Communicate about themselves <p>Painting</p> <ul style="list-style-type: none"> Communicate about themselves <p>Printing</p> <ul style="list-style-type: none"> Vegetable printing 	<p>3D</p> <ul style="list-style-type: none"> Clay - cut, roll and coil Make different shapes <p>Painting</p> <ul style="list-style-type: none"> Primary and Secondary colours Painting Observational painting <p>Drawing</p> <ul style="list-style-type: none"> draw using pencils and crayons 	<p>Drawing</p> <ul style="list-style-type: none"> Using different lines of thickness <p>Collage</p> <ul style="list-style-type: none"> Cut and tear paper <p>Gather and sort materials they need</p> <p>Painting</p> <ul style="list-style-type: none"> Choosing thick or thin brushes 	<p>Printing</p> <ul style="list-style-type: none"> Design own printing block <p>Drawing</p> <ul style="list-style-type: none"> Create moods in their drawings <p>Painting</p> <ul style="list-style-type: none"> Create moods in their paintings 	<p>3D</p> <ul style="list-style-type: none"> Clay - add texture using tools <p>Textiles</p> <ul style="list-style-type: none"> Sort threads and fabrics Groups threads and fabrics <p>Create a flag - weaving fabric and thread</p> <p>Printing</p> <ul style="list-style-type: none"> Create a repeated pattern Print onto paper and textile 	
DT	<p>Healthy Eating</p> <ul style="list-style-type: none"> Healthy food <p>Design a balanced packed lunch</p> <p>Cooking and Nutrition</p> <ul style="list-style-type: none"> Describe the texture of foods. 	<p>Cooking and Nutrition</p> <ul style="list-style-type: none"> Cut food safely Decorating food Wash hands <p>Textiles</p> <ul style="list-style-type: none"> Puppets -describe how textiles feel. Make a product from textiles by gluing. 	<p>Mechanisms</p> <ul style="list-style-type: none"> Make a product that moves, Describe materials used Cut materials using scissors Say why they have used moving parts 	<p>Construction</p> <ul style="list-style-type: none"> Construct a product (castle) Select appropriate resources Make simple plans Use of materials Make a structure using different materials Making model stronger 		
Performing arts	<p>Charanga - Hey You & Rhythm in the way</p> <ul style="list-style-type: none"> Use their voice to sing Join in with singing Clap rhythmic patterns Copy sounds using instruments 	<p>Charanga - In the groove & Round and round</p> <ul style="list-style-type: none"> Make different sounds with their voice/instruments Identify changes in sounds Change the sound Repeat rhythmic patterns Make a sequence of sounds Show sounds by using pictures 	<p>Charanga - Your imagination & Reflect, Rewind, Replay</p> <ul style="list-style-type: none"> Respond to different moods and music Say how a piece of music makes them feel Likes and dislikes about a piece of music Choose sounds to represent different things 			

					<ul style="list-style-type: none"> Recognise repeated patterns Follow instructions about when to play or sing 	
PE	<p>Dance</p> <ul style="list-style-type: none"> Moves to music Copy dance moves Perform dance moves Make up a short <p>Gymnastics</p> <ul style="list-style-type: none"> Make their body tense, relaxed, curled and stretched Control their body when balancing copy sequences and repeat them roll, travel, climb, stretch, curl and balance 	<p>Striking Games</p> <ul style="list-style-type: none"> throw underarm roll a piece of equipment throw in different ways 	<p>Ball Games</p> <ul style="list-style-type: none"> hit a ball with a bat catch with both hands <p>Kicking a ball</p> <ul style="list-style-type: none"> can they kick in different ways 	<p>Invasion games</p> <ul style="list-style-type: none"> can they move and stop safely 	Athletics	Striking and fielding Sports Day
Science	Why are our bodies super?	Why does it get dark earlier in winter?	Why are humans not like tigers?	Which birds and plants would Dinosaurs find in our park?	Which materials should the Knight have used to build their castle?	What do dragons think of life on planet Earth?
Focus	<p>Animals (including humans)</p> <ul style="list-style-type: none"> Name parts of the human body 	<p>Seasonal Changes</p> <ul style="list-style-type: none"> Features of day and night including temperature Weather, associated with seasons 	<p>Animals (including humans)</p> <ul style="list-style-type: none"> Identification and labelling a variety of common animals (fish, amphibians, reptiles, birds and mammals) Know carnivores, herbivores and omnivores How to care for pets 	<p>Plants</p> <ul style="list-style-type: none"> Identification and labelling, including trees Structure of plants, including roots, stem, flower, etc. 	<p>Everyday Materials</p> <ul style="list-style-type: none"> Identify and name a range of materials (wood, plastic, glass, metal, water and rock; Classifying and grouping according to a range of physical properties 	
National Curriculum	<p>KS1 Science (Y1 Animals, including Humans)</p> <ul style="list-style-type: none"> Identify, name, draw and label the basic parts of the human body and say which part of the human body is associated with each sense. 	<p>KS1 Science (Y1 Seasonal Changes)</p> <ul style="list-style-type: none"> Observe changes across the four seasons; Observe and describe weather associated with the seasons and how day length varies. 	<ul style="list-style-type: none"> Identify and name a variety of common animals, including fish, amphibians, reptiles, birds and mammals; Identify and name a variety of common animals that are carnivores, herbivores and omnivores; Describe and compare the structure of a variety of common animals (fish, amphibians, reptiles, birds and mammals, including pets); 	<p>KS1 Science (Y1 Plants)</p> <ul style="list-style-type: none"> Identify and name a variety of common, wild and green plants, including deciduous and evergreen trees; Identify and describe the basic structure of a variety of common flowering plants, including trees. <p>KS1 Science (Animals, including humans)</p> <ul style="list-style-type: none"> Identify and name a variety of common animals, including fish, amphibians, reptiles, birds and mammals; 	<p>KS1 Science (Y1: Everyday Materials)</p> <ul style="list-style-type: none"> Distinguish between an object and the materials from which it is made; Identify and name a variety of everyday materials, including wood, plastic, glass, metal, water and rock; Describe the simple physical properties of a variety of everyday materials; Compare and group together a variety of everyday materials on the basis of their simple physical properties. 	
Computing	<p>Algorithms and Programs</p> <ul style="list-style-type: none"> Create a simple set of instructions Record their routes Understand forwards, backwards, up and down Plan and test a beebot journey 	<p>Data Retrieving and Organising</p> <ul style="list-style-type: none"> Capture images Print out from a camera Record a sound and play it back <p>Communicating</p> <ul style="list-style-type: none"> Word process using a keyboard Use space bar and backspace 	<p>Algorithms and Programs</p> <ul style="list-style-type: none"> Put two instructions together to control a programmable toy Espresso coding 	<p>Data Retrieving and Organising</p> <ul style="list-style-type: none"> Enter information into a template to make a graph Talk about the results of a graph 	<p>Communicating</p> <ul style="list-style-type: none"> Print out a page from the internet <p>E-Safety</p> <ul style="list-style-type: none"> Follow school safety rules Use search engines Use the internet 	<p>Communicating</p> <ul style="list-style-type: none"> Recognise what an email address looks like Join in sending a class email Use the @ key and type an email address <p>E-Safety</p> <ul style="list-style-type: none"> Send and receive an email as a class Understand different methods of communicating
RE	What can we learn about Christianity from visiting a Church?	How is Divali a festival of light?	Why is Jesus special to Christians?	What is the meaning of Easter?	What can we find out about Buddha?	What can we find out about Buddha?

	How and why do Christians celebrate Harvest?	What is the meaning of Christmas? Why are gifts given at Christmas? (3 Wise Men; Jesus as a gift)	(Look at stories about Him and told by Him; what do Christians learn from Jesus?)	What is the Easter Story?	How is Buddha special to Buddhist?	Why did Buddha leave home?
MFL	-	-	-	-	-	-
4Life	Harvest Using a knife and fork	Christmas Shoe box Rudolph(super nose) Christmas	Skip with a rope	Visit Great North Museum Hancock	A day without electricity	Banquet
SMSC	Local Area visit Fireman Visitor Dental Nurse visitor Visit to St Andrews Church	Spiritual - Hindu visitor (Rangoli patterns) <i>depending on parents</i> Spiritual - Christian visitor Mrs Brown visit (talking about the past) Mystery Readers Remembrance Day	Animal Exhibition	Cultural - Museum visit Spiritual - Christian visitor	Spiritual - Buddhist visitor Local Hero (Knight)	Cultural - Castle trip Banquet - Parents invited
Forest School	Shelter Maker using frame (up to middle)	Hide and seek	Blindfold challenge around the forest (holding hands)	Traps Observe footprints	Build a home for the dragon (up to middle) Test materials.	Water proof shelters

Year 2

Allotted Time	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Learning Challenges History/Geography	What would Horrid Henry find exciting about our town/city?	Is Madagascar like it is in the film?	What was it like when the Queen came to the throne in 1953?		Why do we love to be beside the seaside?	How have Rosa Parks and Nelson Mandela helped to make the world a better place?
Key areas	Geography	Geography	History		Geography	History
Focus	<ul style="list-style-type: none"> -a small area of the United Kingdom, and of a small area in a contrasting non-European country -identify seasonal and daily weather patterns in the United Kingdom -use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment. 	<ul style="list-style-type: none"> -a small area of the United Kingdom, and of a small area in a contrasting non-European country -identify seasonal and daily weather patterns in the United Kingdom -use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment. 	<ul style="list-style-type: none"> -Changes and events beyond living memory that are significant nationally or globally -significant historical events, people and places in their own locality -significant people from Britain or abroad 		<ul style="list-style-type: none"> -a small area of the United Kingdom, and of a small area in a contrasting non-European country -identify seasonal and daily weather patterns in the United Kingdom -use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment. 	<ul style="list-style-type: none"> -Changes and events beyond living memory that are significant nationally or globally -significant historical events, people and places in their own locality -significant people from Britain or abroad
NC	KS1 Geography: use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment.	KS1 Geography: understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a contrasting non-European country. Identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world	KS1 History: events beyond living memory that are significant nationally or globally		KS1 Geography: identify seasonal and daily weather patterns in the United Kingdom – human and physical features of a small area of the United Kingdom	KS1 History: the lives of significant individuals in the past who have contributed to national and international achievements.
Art	Creating different shades	Responding to an artist Secondary colours (painting)	Portraits - look at the various portraits created of The Queen over her reign. Appraise the different styles. Children create own portrait of The Queen, Head Teacher or teacher.		Printing - seascape and seaside scenes	
DT		Structures - look at different bridges. Set the challenge to build a bridge to link Mozambique to Madagascar (one table to another)	Joining 2 materials-design and make knickers for the Queen (linked text <i>The Queen's Knickers</i>)		Moving Pictures -sliders (linked text <i>The Lighthouse Keeper's Lunch</i>)	Cooking and Nutrition - jambalya
Performing arts	Charanga - Hands, Feet, Heart Learning and performing traditional folk song	Charanga - Ho, Ho, Ho Creating and performing African music using djembe drums.	Charanga - I Wanna Play in a Band & Zootime Use of drama to explore key events during Queen Elizabeth II's reign.		Charanga - Reflect, Rewind and Replay Use of dance to tell the story of how a sand dune is formed.	Charanga - Friendship Song Listen to, appraise and recreate MOBO.
PE	Dance/Gymnastics	Invasion Games - Hockey	Tennis	Striking and Fielding	Football/Tag Rugby	Dance/Gymnastics
Science	Why would a dinosaur not make a good pet?	How do animals and humans survive in Madagascar?	How can we grow our own food?		Which materials did they use to build the Lighthouse?	What is our school made from?

Focus	Animals (including humans) <ul style="list-style-type: none"> •Exercise and healthy living •What animals and humans need to survive •Animals have offspring, which grow to be adults 	Living things and their habitats <ul style="list-style-type: none"> •Habitats •Living and non living things •Early Food Chains 	Plants <ul style="list-style-type: none"> •What plants and seeds need to grow •Growing from seeds and bulbs 	Everyday Materials <ul style="list-style-type: none"> •Classifying and grouping •Changing materials by bending, etc. 	Everyday Materials <ul style="list-style-type: none"> •Use of different everyday materials •Classifying and grouping
NC	KS1 Science (Y2 Animals, including humans) <ul style="list-style-type: none"> • Notice that animals, including humans, have offspring, which grow into adults; • Find out about and describe the basic needs of animals, including humans for survival (water, food and air); • Describe the importance for humans of exercise, eating the right amount of different types of food, and hygiene. 	KS1 Science (Y2 Living Things and their Habitats) <ul style="list-style-type: none"> • Explore and compare differences between things that are living, dead and things that have never been alive; • Identify that most living things live in habitats to which they are suited and describe how different habitats provide for the basic needs of different kinds of animals and plants, and how they depend on each other; • Identify and name a variety of plants and animals in their habitats, including micro-habitats; • Describe how animals obtain their food from plants and other animals, using the idea of a simple food chain, and identify and name different sources of food. 	KS1 Science (Y2 Plants) <ul style="list-style-type: none"> • Observe and describe how seeds and bulbs grow into mature plants; • Find out and describe how plants need water, light and suitable temperature to grow and stay healthy. 	KS1 Science (Y2 Uses of Everyday Materials) <ul style="list-style-type: none"> • Identify and compare the suitability of a variety of everyday materials, including wood, metal, plastic, glass, rock, brick, paper and cardboard for particular uses; 	KS1 Science (Y2 Uses of Everyday Materials) <ul style="list-style-type: none"> • Identify and compare the suitability of a variety of everyday materials, including wood, metal, plastic, glass, rock, brick, paper and cardboard for particular uses; • Find out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching.
Computing	<p>What is an algorithm?</p> <p>How are algorithms useful?</p>	<p>What can I discover about Madagascar?</p> <p>How do I stay safe online?</p> <p>Can you believe everything you see on the internet?</p>	<p>Can you predict the outcome of a set of instructions?</p> <p>Can you tell a computer what to do?</p> <p>How can we correct a computer?</p>	<p>How can we communicate with technology?</p> <p>How do I stay safe online?</p>	<p>What's the best way to present information?</p>
RE	<p>What do Christians believe about God?
