

English

This term we will be reading the book UG which is about a cave boy living in the Stone Age. We will be unpicking UG's life to see how it differs from ours and we will be writing him a letter to tell him about all the wonderful things that have been discovered since the Stone Age.

Mathematics

We will be focusing on Number as part of our White Rose Scheme. In this topic we will be looking at Place Value, ordering numbers, finding more and less than and counting in groups. Towards the end of the term our focus will be on addition and subtraction using mental strategies.

P.E

This term Basketball is our sport that we are doing. We shall be learning the rules of basketball, practicing our dribbling and ball control as well as passing. We will end the term by playing games against each other.

R.E

In R.E we will be looking at our Christ family and the different roles we play within it. As well as the Sacrament of Baptism and the significant signs and symbols that make it such an important sacrament.

History/Geography

We will be exploring and discussing what life was like in the Stone Age, from homes, food, and daily life. As well as when and where this period of history took place.

Term 1- The Stone Age

Art

We will be creating our own cave paintings based on the prehistoric designs from the Stone Age. We will design, sketch and then create our paintings which will transform our classroom to the prehistoric era!

Science

In Science we will be looking at materials and their different uses. In particular we will look at rocks and fossils and see how they are formed and how they have been used in the Stone Age.

PSHE

We will be discussing sharing our feelings and developing a class worry box. Our E-Safety curriculum will focus on the acceptable use of different forms of technology.

Computing

Our focus will be on making our own animation. We will plan, make and edit our animation in order to show to other class.

French

In our first term of French we will be learning basic greetings, how to introduce yourself, as well as colours and numbers. In addition to exploring French Culture.
