

TUPTON PRIMARY & NURSERY ACADEMY™

Tuesday 10th September 2019

Dear Parents and Carers

I hope that everyone had a good first week and are now back in to the school routine. I think most of us have worked out where everything has moved to and everyone seems settled in their new classrooms. We have also welcomed our new starters in Reception and Nursery, plus some children into other year groups too and are pleased to make them part of the Tupton family.

There are a few other changes that we need to tell you about for our new school year.

Firstly the library has relocated to the former Jigsaw Room in the new block. Every book has had to be re-catalogued on to the system and so it is taking quite a while to get it up and running. Hopefully it will be ready by next week and you will be able to visit the library, with your child before and after school in order to change their book. We are also hoping to set up a lending library for adults too!

We have changed the time of Celebration Assemblies. They will now be on a Friday afternoon at 2.50pm. The assembly will be for KS1 one week and KS2 the next. Each class will choose two stars. You will receive a message from the class teacher the week before the assembly if your child has been chosen.

We will continue to produce a weekly newsletter. The newsletter will be posted on Class Dojo each week. It will also be posted on the website where you can either view it or subscribe to it. After today's letter we will no longer be sending paper copies. The school's website address is www.tupton.derbyshire.sch.uk/

EYFS trialled a different way of holding parents evening last year, which was very successful. Therefore we are going to use this model for the whole school. A letter explaining the new system will be sent home later this week.

If you have any questions, please don't hesitate to speak to a member of staff.

Kind regards

Katherine Richards
