Dear Parents/Carers,

Re: Local Police Parking Initiative

Unfortunately, inconsiderate and illegal parking continues to be a problem for our children and the local community and despite many attempts to resolve this problem, the situation has not improved greatly.

I met with PC J Ellingworth, our local police officer early this week and he is going to lead an initiative that has been very successful in other schools in the local area. In order for this to be successful, he is looking for some willing volunteers to train and work in partnership with the police to help resolve this problem.

We are going to hold a coffee morning at the school on Thursday 26th September at 9:00am. At this meeting PC Ellingworth will explain what the initiative entails and the training that would be required. If you are interested in supporting the community in this, then please return the below slip to the school office no later than Wednesday 18th September.

Yours sincerely,

Mrs A Adair
Head Teacher
