

## Pupil Premium Information 2019/20

As a school we currently receive £1320.00 per pupil that is entitled to pupil premium or has been registered as receiving them for the last 6 years. This includes Looked After Children and those with a special guardianship (£2300.00 per pupil).

All schools are required by the DFE (Department for Education) to report on how much money is being received for these pupils and how this money is being spent in school. As a school we also monitor the impact of this additional funding on pupil outcomes and progress.

It is up for individual schools how to spend this money, dependent on the specific needs of their pupils.

Total predicted budget 2019-20	Total: £46,800
