Sports Day

We had a perfectly sunny (but not too hot) day for our annual Sports Day last Friday, and a very enjoyable time was had by all! Children worked in their house teams in the morning to earn points on a range of events including archery, bean-bag throwing and speed bounce. It is always great to see our oldest children supporting their younger team members and encouraging them to give everything a go. In the afternoon it was time for the more traditional sports day races, including sack race, bean bag race, an obstacle race and house team relay.

It was a close run contest this year, but for the second year running our Sports Day champions were GREEN TEAM!

Thanks as always to Mrs Horn for her superb organisational skills and coming up with yet more new games for us to try, and thank you to all families who came along to support.

The Robots are Coming...!

We had a very exciting delivery in school this week – a robot called Dash! We won him in a competition that Mrs Pye entered us into run by EAC (An IT networking company). Dash is a programmable robot who can be controlled by an App, and made to

do all sorts of things. He also has lots of accessories – included with our Dash was a xylophone and a ball flinger. We are really looking forward to trying him out.

Dates for your diary...

11th July

School Association summer fete

19th July

Robins' class assembly 2.30pm

24th July

Leavers' performance 10.30am (year 6 parents only)

Leavers' service 1.30pm in church (all welcome)

TERM 6 ENDS

School Association Summer

Fete

Thank you for donations of books and tombola prizes that have come in so far. Please can all other donations be brought in to the school office ASAP. We especially need more **tombola prizes** please, as this is always a popular stall. Thank you.

PE Kits

It was so lovely to see everyone in their house team colour kits on Friday. For next year we have decided that, if they prefer, children can wear a t-shirt in their house team colour for PE instead of white. This does not mean football strip or t-shirts with logos – it must be a plain colour. (Thank you to Louisa Broad, who made the excellent suggestion!)

Summer reminders

As summer seems to have finally arrived, please can all children have a refillable water bottle in school every day and wear sun protection – there are a number of all day suncreams now available which can be applied before school, or sun cream can be brought to school, named, for children to apply themselves when needed.
