### Super Summer Sports

On Tuesday morning, key stage 2 walked up to the Sports Field for a inter-house rounders tournament. There was some great batting, fielding and teamwork from all the teams, but this year's winners were **Green Team** after winning two of their matches and drawing against red team in the third. How lucky we are to have such a great facility in the village which enables events like this to take place!

In addition, Mrs Horn has been out and about with various groups of children recently – first with the year 5/6 Kwik cricketers last Thursday, and this week she has taken a team of 10 year 3 and 4 children plus two year 6 sports' leaders to Moulton College for the Summer School Games, and taken five children each from years 2, 3 and 4 to the 'Going for Gold' Sports Day at Spratton Hall. Phew!

If you would like to follow our sporting events we now have a school sport Twitter account. Find us at @SportWsses

### Summer Fair Fun

There has been an air of purpose and excitement in school this week as classes have been busily preparing their games for the School Association Summer Fair, which was held on Thursday afternoon. Thank you to everyone who donated delicious cakes, tombola prizes and books, and who came along to spend their money on the day, as well as to our trusty team of School Association members who co-ordinated the event, manned the stalls and provided much needed refreshments.

## End of Term Arrangements

On the last day of term, Wednesday 24<sup>th</sup> July, our year 6 leavers will perform their final farewell to us in the morning – parents and families of year 6 pupils only are welcome to join us in the school hall at 10.30 for what is usually a very entertaining show! Then at 1.30 we will all be in church for the presentation of awards, to say our goodbyes to year 6, and draw the school year to a close. All families are welcome to join us in church, and collect their children early from their classrooms on our return. School will be open until 3.15 as usual – please ensure that your child knows if they are here until 3.15, on the bus or at after school club. Children who walk home alone will not be released from class until the end of the school day unless we have written permission that states otherwise.

## Annual Reports

Your child will have brought home their annual report today. Please return the reply slip to acknowledge that you have received it and take the opportunity to use the comments section to share your feedback to your child's teacher.

*Respect and Responsibility*

Well done to our Summer School Games team who demonstrated this value by winning the trophy for 'Respect' on Thursday.
