

We have had a busy week this week and I am pleased to say that the children are settling in well to their classrooms. It is such a pleasure to walk through the school and see the learning taking place. You will have had your class letters by now, letting you know about the learning focus in each class, informing you about PE arrangements and organising homework. If you have any questions, please do not hesitate to pop in and see the class teacher.

PESE Test

Some of our children chose to sit the PESE test this week. Regardless of the outcomes, we wanted to congratulate them on all their hard work leading up to the tests and the way in which they sat them. We couldn't have been prouder of their resilience and positivity, true Capel Stars.

PTA Appeal

Hopefully you all saw the School Jotter appeal from the PTA to help prepare the ground for the new play equipment. If you are able to help, please do contact them, or pop into the office and we can pass a message on.

How can we help?

We are interested in providing support for our families through some dedicated workshops and information sessions. We would like to ask if there are any topics in particular that you feel you would like to know more about. For example, how confident are you in helping your child to stay safe online and do you know how we teach children certain maths concepts? Please let us know of any workshops or information that you would find useful.

Edison Class

We have been thrilled to welcome Edison Class this week, as our newest members start school. They are settling in well and it was lovely to see some of our parents pop into the Tears and Tissues session in the dining hall on their first morning. We can't wait to hear about all their new experiences over the coming weeks and months.

Important Dates:

- 16th September—clubs start
- 20th September KM taking EYFS photo
