

Topic 1: Boom! The World is at War

The following activities have been planned to compliment our Science and History topics of 'Light' and WWII topic.

You must earn at least 100 points before the end of the half term. There will be a prize for the top five scorers from each class.

<p>Task: Sculpt it: Using only materials that reflect light make a sculpture of anything you wish. (Tip: materials could include tinfoil, metal pieces, old CDs etc) 40 points</p>	<p>Task: Back to front: Can you write a message that when reflected in a mirror will make sense? Present your message in an interesting way and in bold big writing. We will provide mirrors so your friends can read the message. 30 points</p>	<p>Task: Rainbows: Research how rainbows are formed and write a paragraph explaining it. You should present it in an interesting way. 30 points</p>
<p>Task: Word search: Create a word search, using the key words from the topic of Light. 30 points</p>	<p>Task: Shadows : Take photos of an object with light shining on it at different angles to explore how the shadows will change as the angle of the light source changes. 30 points</p>	<p>Task: Crossword Use the keywords from the topic to create a crossword puzzle. 40 points www.abcya.com</p>
<p>Task: Bake or cook a war time recipe. Bring/email or class dojo your photos to your teacher. 30 points</p>	<p>Task: Write a letter to your teacher using morse code. 30 points</p>	<p>Task: Make a model of an artefact from WW2 (ration card, Anderson shelter etc). 40 points</p>
