

Curriculum Statement
Greenfield & Pulloxhill Academy
Nurture, Inspire, Flourish

Intent – What do we want for our children?

We aim to promote the children’s spiritual and cultural awareness and help them develop socially and morally

We encourage healthy mental well-being that leads to a positive attitude to learning

We aim for our children to be happy, inquisitive, confident and resilient learners who have a love of learning

We want our children to be full of self-belief

We want our learners to be good communicators

Implementation – How are we fulfilling the intent?

We will continue to embed Values Based Education across our schools

Our staff will support pupils with their mental and physical health

We will provide excellent modelling and give positive reinforcement

Our teachers will be enthusiastic, use appropriate challenge and provide opportunities to thrive and achieve across all subjects

Teachers will track progress and plan next steps across each subject

We will scaffold and support learning with resources that are fit for purpose

We will provide additional support, academically and emotionally so that all children can make progress

Impact – Outcomes

The children will achieve in line with their personal targets, making good progress over time

Children will understand and be able to articulate their own strengths

Our pupils will be inquisitive learners and have a love of learning

The children will be resilient and equipped to face future challenges

Children will be ready for their transition to the next year group or next phase in their education

Our children will be considerate, thoughtful and respectful members of the community
