

Governor Profile  
Sandra Firm  
Co-opted Governor

Hello my name is Sandra Firm. I have been a governor at Victoria Primary School for eight years. Before I became a governor I taught in a variety of schools from 1976 to 2011.

I enjoy long walks in Yorkshires lovely county side and don't mind walking in the snow or in cold weather. I spend a lot of my time gardening, particularly enjoy growing colourful flowers.

For the past seven years I have been learning to speak and understand Italian. This requires a lot of concentration and hard work.
