**Curriculum evenings** will be held on Tuesday evening (17<sup>th</sup> September) to provide an opportunity for you to meet your child's class teacher and to find out about what your child will be learning this academic year. Times are as follows:

- Nursery parents: 5-5.30pm
- Class 3/Class 4: 5.30-6pm
- Class 5/Class 6: 6-6.30pm

If you have any **school uniform** at home which your child has outgrown but is still in good condition, it would be greatly appreciated in school. A parent has very kindly offered to sort through our 'mountains' of lost property currently in school and will be holding a sale of all good quality clothing at the end of Autumn term in our school hall. This is a great way of becoming more eco-friendly and helping to raise money for school funds!

**Parent/teacher interviews** for children in **Class 4** will take place next week due to Miss Lightfoot's upcoming leave.

We are currently exploring a large range of **extra-curricular clubs** which we may be offering to our children in the future and would be extremely interested in receiving feedback from parents as to which areas their child may be interested in. As the clubs would be run by external practitioners, it is likely that these clubs would require a payment, therefore it is important that we assess interest before making commitments. Please could you indicate your child's area(s) of interest on the slip below and return it to the school office.
