

Pupil Premium Statement - Academic Year 2018 - 2019

What is Pupil Premium? Pupil Premium is additional funding provided to schools in their budget to support more disadvantaged pupils to ensure they benefit from the same opportunities as all other children and narrow gaps in attainment. National data shows that, generally, these children do not achieve as highly as their peers. There are three categories of children who qualify for pupil premium:

- Children who are eligible for free school meals (FSM) or have been at any time during the last 6 years
- Looked After Children (LAC) including children who were adopted from care
- Armed Forces Children (AFC)

The funding is NOT tied to individual children and each school is responsible for deciding how best to use their allocated funding. We are committed to ‘Narrowing the Gap’ for vulnerable pupils and the Pupil Premium Grant is vital in the process.
