Aldi 'Kits for schools'

We have registered our school with the Aldi kits for schools incentive which is currently running in all Aldi stores. For every £30 spent in store a sticker is given out which can be brought into school to stick on the poster which should be here in the next week or 2. This gives us a chance to win £20,000 and sports equipment for school. Please collect the stickers and send them into school. Thank you.

New School Year

We would like to take this opportunity to thank everyone for all their support at the start of a brand new school year. The beginning of school is always a hectic time with new routines, new classes and lots of letters and information coming home. Hopefully everyone will now have settled into school life routines and we can enjoy what exciting new things are to come over the year.

If anyone has any issues they would like to discuss, please don't hesitate to make an appointment to discuss these.
