

## Literacy

We will be reading some well known children's books, such as;

Owl Babies, Handa's Surprise, Not now Bernard! and Funnybones. We will read non-fiction books that help us to understand these stories better.

The children will be creating a story map to help them to write a journey story.  
They will also write a recount of a local walk.

We will also be teaching phonics, learning about the different letters and the sounds that they make. Beginning to practise forming letters

You can support this by sharing stories and practising writing their name at home.

## MATHS

This term the children will be consolidating and learning about the number system.

We will be working on:

- Numbers up to 5— we will use numbers up to 5 to give children a good understanding of the number system.
- Sorting objects
- Comparing numbers and groups of objects

## ART & D.T

We will be introducing different types of media such as paint, clay, junk modelling and tissue paper. We will be introducing different ways of assembling using a variety of tools.

## Reception

### Who Lives in Our Community?

### What do I know About Me?

## TRIPS/EVENTS

We will be going on a local walk to find out about where we live and that each house has an address.

Latvia Tuesday 24th September 9:00

Germany Thursday 26th September 9:00

## Understanding the World

The children will be learning about themselves. They will learn about their body parts and what they can use them for.

We will focus on portraits in a range of different ways.

## Festivals and celebrations

We will be learning about celebrations and festivals as they happen and what we can do to prepare for them.

We will be thinking about how people celebrate birthdays and festivals in different ways.

## P.E

In P.E we expect all children to have the correct P.E uniform .

In the first term we will be focusing on the children's independence and exploring moving in a variety of ways.

## ICT

We will introduce the children to a variety of ICT including computers, I-pads and bee-bots. We will be teaching how to use ICT safely.

## PSHE

The children will be introduced to the school values and Golden rules.

We will also focus on the importance of listening to each other and speaking as part of a group

The children will think about what they good at and when they should feel proud of themselves.
