Dear Parents/Guardians

We will be celebrating Harvest Festival on Thursday 19th September. Lakes Department students will take part in an assembly either by performing a song or by showing some of their work on Harvest.

We would love you to join us at 1.20pm in the school hall.

We are also collecting non perishable food goods such as tins, cereals and pasta to donate to the local food bank, please send these into school with your child over the next week.

Yours sincerely

CAROLYN WESNEDGE
Assistant Head
Lakes Dept
