

This is your homework book in Year 2.

Each week there will be an English, Maths and Spelling task.

The English homework will alternate between a reading comprehension task or a Punctuation and Grammar Quiz. The Maths will be arithmetic based with a problem solving challenge. There will be a list of 10 Year 2 spelling words each week.

This homework book will be handed out each **Friday**. It must be returned to school by the following **Wednesday** (It can be handed in earlier if completed).

These homework tasks are to help children practise skills they need to for the end of KS1 SATs. You can support and guide the children to answer the questions but they must complete them themselves.

If you have any questions regarding the homework tasks please come and speak to us at the end of the school day. We would be happy to help!

*P.S. Please remember to read your home reading book. Reading Records are checked on Wednesday mornings.*

Thank you for your support.
