

# International Learning

We are very proud to have been re-accredited with the full International School Award from the British Council again this year.

Last year, Year 1 had the opportunity to learn some German from Southmoor pupils on Languages Day.

Mr Angawaa from Sunderland University worked with Year 2 pupils on Fairtrade and the Oriental Museum came to lead a workshop on Chinese New Year.

We are developing new links with Nepal and we would like to take this opportunity to thank you for your support in rebuilding classrooms hit by the terrible earthquakes. It was lovely to see both parents and children making promises on their doves which went on to be displayed in Sunderland during Refugee Week and we were fortunate to hear the story 'My Name is not Refugee', read by Saman.

In the Summer term Year 1 pupils welcomed Alex the Bear through German and UK connection and we are very excited to be working with a visiting German teacher in the Spring term.

Children continue to come to French every fortnight and we will be celebrating European Languages Day again on the 26th September. We are delighted to be part of a Durham Connecting Classrooms project. Later in the year we will be welcoming a teacher from Nepal and am sure the children will benefit greatly from this experience.

We would like to once again thank you for your continued support. Watch this space for further updates!
