

Inspiring Learning For A Positive Future

FREE – Families Connect Parenting Course

Dear Parents & Carers

I am delighted to invite you to a coffee morning at 9.00am on Thursday 26th September. The coffee morning is for you to enrol onto the Families Connect Parenting Course, which begins on 10th October 2019 in school. If you do not register at the coffee morning you will be unable to attend the course. Two Families Connect Parenting courses were held last academic year with great success.

The Families Connect programme provides a series of activities, techniques and games that you can practice with your child at home. It recognises the role parents play in the education of children and the value in creating a home environment conducive to learning.

You must attend and commit to all of the workshops, which are fun and informative. Your child will join you during the sessions each week and refreshments will be served during the morning.

The intended long-term effects of this course are that your child will have a greater chance of achieving their full potential in school.

This is a great learning opportunity. Places will be limited, so if you are interested, please come along to the coffee morning to find out more about what the course includes.

I am really looking forward to working with you all.

Kind regards

A. Farrar.
