

Meet the Teacher & PTA AGM

Thanks so much to everyone who came along to Meet the Teacher and the PTA AGM, it was lovely to see you all and for the staff to get the opportunity to tell you about what your son/daughter will be learning this year.

PTA

Thanks so much to those who stayed for the PTA AGM last night. Debbie Patterson (Chair), Jennie Liggett (Secretary) and Pamela Alexander (Treasurer) were re-elected to their roles. The first meeting of the PTA will take place next Monday 23rd September in the staff room at 3p.m.

Flu Vaccinations

Please complete and return notes sent home re flu vaccinations, these are being collected by the school nursing team on Friday.

Outstanding Forms

If you have not yet returned your **data capture, permission, medical condition or allergy forms** **please do so as a matter of urgency!**

Carrowdore Primary School App

If you have not already, please download our school app to keep up to date with all that's happening in school. We use the app to send reminders about things that are happening in school or unexpected closures and this can be useful for grandparents/childminders too.

Android

Go to Google Play, search for School Jotter or scan the QR code.

iOS

Go to App Store and search for School Jotter or scan the QR code.

School Fund

Thanks so much to those families who have already contributed to school fund! With continued pressure on budgets we rely on this more than ever, we ask for £30 school fund per family which can be paid for the whole year or in three instalments of £10 per term.

Healthy Break

We have a healthy break policy in school, if you do not purchase school break please make sure you send a healthy snack for your son/daughter for break time (no crisps, sweets or chocolate please). School healthy break costs 50p per day for toast and fruit and 10p per day for milk.

Water Bottles

We really encourage the children to bring a water bottle to school to help them stay hydrated throughout the day. This should **only** contain water so that when we have the inevitable spills books and other resources can be dried out. **Please** do not send juice etc. in water bottles, we may not be able to see it through the bottle but we will when it spills onto school resources.

Volunteers

We are interested in ‘recruiting’ some more volunteers to help out in classrooms with reading, photocopying etc. Any mums, dads, or grandparents interested please speak to Miss Roe, Mrs Gourley or your child’s class teacher.

Charity Money

Congratulations to Primary 7 who were last week’s charity cup winners!
