

Sandbrook's Curriculum Blog

Geography

July 2019

Hello.

We are the Sandbrook Geography Learning Ambassadors.

We are Hana, Luna, Christabelle, Rire, Lily, Lauren, Ava and Sehar.

We had to fill in an application form to apply for our role and had interviews with Mr West. We were a bit nervous but we were excited to get our special badges.

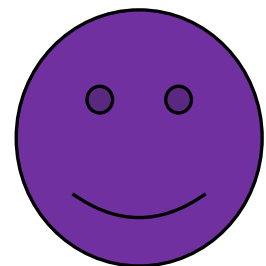

I like learning about different countries and cultures, as some have different environmental issues to deal with.

I like to learn about places I might want to visit when I am older.

We all love geography because we enjoy finding out about the people and places in our world. We are looking forward to helping Miss Norcliffe develop geography in our school.

For our first tasks we are going to:

- ✓ Complete a pupil questionnaire.
- ✓ Look at geography work in books.
- ✓ Check classroom geography displays.

We will keep you posted about how we get on!!!
