Values and Ethos

"At Elton we want our children to be the best that they can be"

Elton Primary School:

Mission Statement:

At Elton we want our children to be the best that they can be. We will help them to learn in a happy, safe, caring, positive and creative environment where everyone is valued.

The children will be at the centre of everything that we do and every decision that we make.

Our teaching will be stimulating, motivating and challenging for everyone to embed a love of learning and independent lifelong skills.

We will provide opportunities for our children to develop and grow socially, physically and emotionally so that they can develop their full potential.
