Headteacher: Mr P Scragg  
Assistant Head: Mrs F Hurcum  
Assistant Head: Mrs D Lister  
**Autumn Term 1 Week 3**

#### Round up of the week

- It has been a lovely calm start to school with the majority of children settling into their new classes nicely.
- Year 5 and Year 6 took part in Zoom Rail. They really engaged in the activities and were inspired by the engineers who worked with them. Hopefully some of them may decide to follow a career in engineering as there will be lots of jobs created in the Staveley area as part of the HS2 development.
- On Wednesday after school we had our second Young Voices practice. It was good fun and the songs that we have to perform this year are really good so the performance at Sheffield Arena in January should be amazing!

#### Coming up next week

- On Wednesday afternoon Year 5 have their first swimming session at Healthy Living Centre. Please make sure they have their swimming clothes and towel. Girls have to have a one piece swimming costume (not a bikini), boys need trunks ideally. If they wear shorts they must be above the knee as long shorts make it difficult to swim. No jewellery, including earrings and if they need an inhaler they must bring it and keep it poolside.
- On Thursday Mrs Richardson will be in the hall from 8.40am for the children's banking.
- At 2pm on Friday parents are invited into school for a Macmillan coffee afternoon. We are doing it in the afternoon so that we don't clash with other events and hopefully get a big turn out. Staff are baking cakes and a couple of classes will also be baking. If anybody wishes to donate any cakes or biscuits we would be really grateful. If there are any cakes left at the end of the day we will sell these on the playground.

All after school clubs, except film club, run from 3.15 – 4.15pm

- Monday – gymnastics after school club
- Tuesday – Dance after school club and Lego after school club
- Wednesday – Young Voices after school club
- Thursday – Boogie Bounce after school club

#### Reminders

- You may have noticed that Forest Schools has started and children have been making weaving structures near the main gate. Please can you ask your children to look at these but not touch or damage them as it is an ongoing project.
- A couple of parents have mentioned a game being played on the park called "Tap Out." Basically they strangle each other and see who can last the longest without being able to breath. If you think your child might be playing please explain to them how dangerous it is.
- I have had two reports of children from our school throwing stones and other objects at cars. I'm sure many of you drive and realise how dangerous this could be if it caused an accident. I have contacted the parents of two children that have been identified.
- On Monday I will talk to the children in assembly about both of these incidents but I would appreciate it if you could support us in reinforcing good behaviours outside of school.

Thank you
