

Welcome to Class 6P Miss Prit's Class

What we have done so far...

This term our theme is called the Blitz! The children have thoroughly enjoyed our launch day where they participated in drama, mend and do as well as discuss rationing. As part of our learning, the children will be able to discuss the causes of WW2, identifying both Allied and Axis powers, whilst also discussing the leaders involved. Throughout the theme children are going to be able to explore more about the effect the Blitz had on the people of Coventry, the reasons as to why Coventry was so vital to the war effort and the reason it was bombed along with much more. This will allow us the opportunity to learn together and reflect on this hugely important and relevant period of our history that happened in the city that we live in.

In English we have been looking at 'The Piano' this is an animation which has given us the opportunity to express ourselves through drama (see pictures below). We have thought carefully about the range of emotions that were seen during this animation and used inference to develop a recount. We will be continuing to immerse in a range of different text types in order to develop writing outcomes linked to the Year 6 curriculum.
