## A great welcome back to our Children, Families and Staff

It has been lovely to see our children coming back to school with a thirst for learning new topics and excited about the changes to their learning environment. We are delighted to see all of our children so smartly dressed and ready to learn.

This year our focus is 'Asking Big Questions.' Staff have been busy designing new curriculum maps so that children can think deeper and explore by asking questions. We continuously evaluate our curriculum, encouraging children to lead their learning and shape projects that invest in our children's and community's cultural capital. Our distinctively Christian and core High 5 values, positive learning behaviours, essential knowledge of character building and citizenship are entwined with rich

opportunities and memorable experiences that engage all pupils. Our intent is that our pupils engender an appreciation of human creativity, curiosity and the ability to think deeply lies at the heart of all that we do.

*Jesus said, 'Ask, and you will receive; seek, and you will find; knock, and the door will be opened to you. For anyone who asks shall receive, and anyone who seeks will find, and the door will be opened to those who knock' (Matthew 7.7-8).*

Please take some time to see the revamped woodland walk area.

*Mrs Atkar, Miss Williams and All Staff*
