

Headteacher: Mrs V Giliker

16<sup>th</sup> September 2019

Dear Parents/ Carers,

**Animal Workshop - All Reception and Y1 children**

We will be having an animal workshop for all Reception & Year 1 children on Monday 7<sup>th</sup> October. The workshop will consist of a short talk about animals in the jungle followed by an opportunity for the children to see and handle some of the animals. The workshop is educational and links to curriculum objectives in both Reception and Year 1.

We would be very grateful if you could send in a voluntary contribution of £1.00 towards the activity, which will help to bring the jungle to life for the children

Thank you for your continued support.

Yours sincerely,

The Reception & Year 1 Team
